Pastors Day at KMC

On January 19, we were pleased to welcome Bishop Michael O. Jackels and many priests of the Diocese of Wichita to Kapaun Mt. Carmel for Pastors Day. We invited all of the pastors and associate pastors of the parishes to which our students belong, and were pleased that so many of our beloved priests of the diocese were able to join us.

The festivities began with our January all-school Mass with Bishop Jackels presiding. Including KMC chaplain Fr. Aaron Spexarth, the Mass was concelebrated by ten priests from various parishes around the area; several other priests joined us following Mass. With the Catholic schools of the Diocese of Wichita being funded through the generous stewardship commitments of the faithful of the diocese, Bishop's homily appropriately focused on the value of the education KMC students receive. He reminded them of their own stewardship commitments, and encouraged them to thank their pastors, parents and fellow parishioners for the significant sacrifices they make to support Catholic education.

Following Mass, each of the priests had time to meet with the students of his own parish. Various priests used the time to informally visit with their students, to administer a quick religion quiz, to remind them of their stewardship commitments, etc. It was apparent that all of the priests and the students enjoyed their time together.

During that same period of time, our non-Catholic students met with assistant principal Chris Bloomer to discuss their experiences at Kapaun Mt. Carmel and how we might make it an even more welcoming environment in the future.

As the students returned to the routine of their class schedules, the priests met with KMC administrators and other staff members in the Crusader Lounge. We provided updates on such topics as liturgical opportunities offered on campus, academic options and student achievements, extra-curricular activities, a profile of our faculty, and financial/funding results. The priests asked many good questions, and we had an enjoyable conversation.

Prior to leaving KMC, the priests were treated to a wonderful lunch buffet prepared by Denise Unruh and her Crusader Café staff.

I am told that a similar event was held a number of years ago prior to my arrival on the scene. With the positive feedback we've received from Bishop Jackels and the priests of the diocese, we certainly plan on repeating Pastors Day at KMC in future years, making it an annual event.

As I often tell individual priests of the diocese, we are all in this Catholic educational system together (it is important to remember that there is no tuition for Catholic students whose families are living their stewardship commitments at their parishes). Pastors Day at KMC

Pastors Day (continued from page 1)

presented a great opportunity to remind everyone in our school community about the support we receive from the pastors and their parishioners, and the blessing that our Catholic educational system truly is.

We look forward to the 2nd Annual Pastors Day at KMC next year!

Annual Fund

Many thanks to all who have made gifts so far to the 2011-12 KMC Annual Fund. I am especially grateful to those who received calls during the Fall Phonathon and made pledges to our student volunteers. Thanks also for the feedback you have given regarding our students who called.

More than 100 members of our student body were involved in the Fall Phonathon, a new record, as for two weeks they "took over" the KMC commons, from which they placed their calls and completed their paperwork. Thank you, Crusaders!

To date we have raised nearly \$190,000 toward our goal of \$300,000 for this year, including gifts from more than 300 of our alumni. Won't you please help? I would ask three things of our alumni:

- Consider making a tax-deductible gift to Kapaun Mt. Carmel through the Annual Fund.
- Using facebook, email, or word of mouth, challenge other members of your class to do the same.
- Start a friendly competition with other classes to participate in the Annual Fund. If you would like help organizing your class, please call me at (316) 636-9612 or email me at karkin@kapaun.org.

On-line giving is available again this year through the KMC website at www.kapaun.org.

The link to on-line giving is on the KMC home page. Installment payments are available for your gift as well should you elect to spread your gift out over time.

Wouldn't this be a great time to grab your credit card, jump on to the web and make that gift to your school? Call me in the Development Office at 316-636-9612 if you have any questions or need assistance. Again, thank you for your support of this important effort.

Chaplain Kapaun Jesuit High School Alumni Memorial Endowment Update

During the winter of 2011, the *Quest* announced a new endowment fund that had been established under the leadership of Jerry Riedl '59. The Chaplain Kapaun Jesuit High School Alumni Memorial Endowment was created to assist those parents who are financially stressed with the payment of various fees for their students who attend KMC. These fees total more than \$750 per year for each student enrolled.

Jerry's desire to give something back to the school that had been so instrumental in his formation is shared by many of his classmates. The endowment gives everyone a vehicle by which they can show their appreciation, while at the same time helping current-day and future KMC students.

Jerry is being assisted in his effort to promote the endowment by Jerry Aaron '58, Fr. Michael Harter, SJ '61, and Clem Ast '60.

"The purpose of the endowment is to honor our high school and the Jesuits who taught us," said Riedl.

Since its inception the fund has grown to more than \$200,000. For more information about this endowment or to make your gift, contact Kevin Arkin at (316) 636-9612.

THE FR. KAPAUN GUILD IS HOSTING MASSES ON THE FIRST WEDNESDAY OF EACH MONTH TO PRAY FOR THE BEATIFICATION AND CANONIZATION OF FR. KAPAUN, SCHEDULED FOR 7:00 PM AT THE SPIRITUAL LIFE CENTER. ALL KMC STUDENTS, PARENTS AND STAFF ARE ENCOURAGED TO ATTEND THESE MONTHLY MASSES.

We Want You For The New Alumni Directory!

The KMC Development Office would like to introduce the Kapaun Mt. Carmel/Mount Carmel Academy/Chaplain Kapaun Memorial High School Alumni Directory, the most comprehensive alumni directory of the three schools ever published.

We are overdue to publish a new comprehensive directory; the last such volume was published in 2004. The Development Office has been searching for a firm to handle this task for the last 18 months, and we wanted to be sure that we had the company that provided the best fit for KMC.

Kapaun Mt. Carmel has contracted with Alumni Research, Inc., to collect and compile the information into a hardbound, library quality volume and for an online community, as well. This directory is being made available to Kapaun Mt. Carmel, Mount Carmel Academy and Chaplain Kapaun Memorial alumni only; **it is a limited edition press run and will be offered only one time.**

The contents of the directory will be divided into five sections: Biographical, Geographical, Profession, Class Roster, and most importantly the Introductory Section showcasing the school's history and events. In addition, Alumni Research Inc. will provide an on-line community for KMC alumni that includes demographic information, a chat room, job board and blog, as well. Alumni will have the opportunity to update their own demographic information in the on-line community as their circumstances change.

All information gathered, either for the hard bound directory or the on-line community will be kept strictly confidential. Neither KMC nor Alumni Research Inc. will share any information obtained with others for any reason without your expressed permission beforehand.

All efforts will be made to contact the alumni of all three schools' alumni via phone, email and mail to obtain and verify biographical information.

Alumni Research, Inc. will soon be contacting those who have provided current telephone numbers and addresses to verify biographical information. It is possible that you will receive a biographical survey form via regular mail or email, as well. For your protection, those completing the survey will identify themselves as working under contract to Kapaun Mt. Carmel and will identify themselves as Alumni Research employees.

Please help your alma mater and your fellow alumni keep in touch by completing the information survey when Alumni Research Inc. contacts you.

If you have any questions regarding a contact, please call Kevin Arkin in the Development Office at (316) 636-9612.

KMC Religion Teachers Appear on EWTN *Life on the Rock*

Program aired on Thursday, February 2

Chris Stewart and Tony Brandt, current religion teachers at KMC, are the developers of a popular evangelical outreach program called *Casting Nets Ministries, Your Resource for the New Evangelization*. Their program utilizes popular media to offer an expansive means of spreading their message. Their goals are to publicize everyone's individual moral obligation to evangelize, to provide tools to fulfill the mission and to act as an evangelical resource.

In their pursuit to evangelize, Stewart and Brandt have established a website, host a radio show and produce CD's that have proven to be popular and instrumental. *Casting Nets* is a dynamic apostolate dedicated to the new evangelization. They have a weekly radio show that is available live online or as podcasts that can be downloaded. Tony and Chris are in conversations with radio stations in Oklahoma City and Omaha about airing the weekly show, *Casting Nets with Tony and Chris*.

The men use examples and tested methods from their own experience. They have also had on the air with them some of the top Catholic evangelists such as Jason Evert, Curtis Martin, Tim Staples, Chris Stefanick, Christopher West, Teresa Tomeo and more. Listening is a must for any Catholic trying to spread the Good News of our Lord Jesus Christ.

In late January, Stewart and Brandt traveled to Birmingham, AL, to film on the popular EWTN show, *Life on the Rock*. The show aired on Thursday, February 2.

To learn more about *Casting Nets* and how you can provide a gift of support please go to www.CastingNetsOnline.com. You will also find archives of previous shows and merchandise. You can also go to www.ewtn.com/tv/live/lifeonthrock.asp for more information.

Laurel Awards 2011-12

Each year the KMC School Council selects several individuals as the recipients of the KMC Laurel Award. The Laurel Awards are given to individuals whose gifts of time and talent to our school have been above and beyond the norm. The Laurel Awards have been presented each year since 1990. Persons so honored are those who have made a significant and lasting impact on the well-being and development of the school.

This year's Laurel Awards winners are:

Kim Breitenbach

Kim and her husband, Kurt, are the parents of Annie Breitenbach Koch from the KMC class of 2003, Alex who graduated in 2006, and Sam who graduated in 2010. They are members of St. Thomas Aquinas parish.

During the past 13 years, Kim has been one of our most active and committed parents. She served as the chair of the KMC School Council for eight years, well beyond a term that could reasonably be expected of anyone. She led the Council with poise, strength, a will to build consensus, and always an obvious love of our school. Since relinquishing her position as chair last May, she has remained an active member of the Council.

Kim also served as president of the KMC Parents Club for two years, and was very involved as the chair of the Education Committee, and in leading and working on various other efforts during all of the years when her children were KMC students, and beyond.

Kim Breitenbach's spirit of volunteerism and dedication have helped to lead Kapaun Mt. Carmel to being a better school – at all levels – than it was when she first became involved as an active parent. We are grateful to her, and to her husband, Kurt, for tolerating the hundreds of hours Kim has spent serving our school, for her many, long-lasting contributions to KMC.

Rodney '90, Brandon '91 and Johnny '96 Steven

Since their graduation from Kapaun Mt. Carmel, Rodney, Brandon and Johnny

Steven have been involved in a number of business ventures, one of which is the Genesis Health Clubs of Wichita.

The Steven brothers were instrumental in the design and furnishing of the new weight room in the *Coach Herm and Jackie Bachrodt Athletic Complex*. They recommended what equipment should be included in the new weight room, and how to best organize it, worked with their suppliers so that we could take advantage of the Genesis Health Clubs' buying power, and provided a significant financial contribution.

The KMC community is grateful to the Steven brothers for their generosity in helping to furnish the new weight room with the very best in weights and equipment. Their dedication to KMC and its students will be remembered for years to come.

Congratulations to Kim Breitenbach and the Steven brothers, the 2011 Laurel Award recipients!

the BIG Event

November 20, 2011 was the date of this year's BIG Event. The KMC commons was flowing with food, drink, music and fun as the KMC family came together for an evening of celebration of our school.

Our own Denise Unruh provided a wonderful meal for all, and music was provided again this year by the Reunion Band—KMC alumni Brad Bartlett '71, Ron Schauf '71, Tim Malone '71, Joe Sauer '71 and Dave Binter '71.

The BIG Event is a gathering of KMC constituents for an evening of food and fun. It is not a fundraising event, but rather a way for all of us to say thank you for your support throughout the year. It is open to:

- parents of current students,
- grandparents of current students,
- alumni of Kapaun Mt. Carmel Catholic High School, Mount Carmel Academy or Chaplain Kapaun Memorial High School, parents of all of our alumni,
- friends of the schools,
- faculty and staff of KMC

Thanks also to all those who provided this year's door prizes for the BIG Event. They were all a hit! The list is posted on the KMC website's BIG Event page. Look under the *Development/Alumni* tab for the BIG Event link.

Planning will begin for the BIG Event 2013 very soon. If you would like to serve on the BIG Event committee, contact Kevin Arkin in the Development Office.

In addition to serving at many parishes in the diocese, Monsignor Regan served in several capacities in diocesan Catholic education. He was appointed chaplain of Notre Dame High School in 1962; Assistant Superintendent of Education in 1962; and Superintendent of Education in 1964.

Monsignor served in the following parishes: St. John, lola; St. Patrick Kingman; Holy Savior, Wichita; St. Vincent de Paul, Andover; and Church of the Magdalen and Christ the King, Wichita.

It is in honor of his devotion to Catholic education that the Regan Catechetical Institute, which provides religious training to the diocese's grade school and high school teachers, is held each fall. Through the RCI, his legacy will thrive among future generations of dedicated, Catholic school teachers.
